

Model MR-725**Feature**

- IPX7 waterproof
- Class D
- DSC call auto answer
- Dual frequency guard / three frequency guard
- Favorite channel setting
- Speaker automatic water removal function
- External GPS receiver
- Scan recovery timer
- Weather channel alarm
- Floating
- Built-in DSC
- MMSI code programming

Specifications

Frequency Range: TX 156.025-157.425MHz
RX 156.050-163.275MHz

Output Power: 25W/1W

Usable Channel: USA, International, Canadian

Modulation method: 16K0G3E (FM), 16K0G2B (DSC)

Working voltage: DC13.8V (±15%)

Dimensions : W 153 × H 67 × D 152mm

Weight: 742g

Accessories

Microphone x 1 pc
Mounting bracket x 1pc
Power cable x 1 pc
