

WENDEN

Marine Third Class Horn / Loudhailer

Model **WLD-812**

- Full 200 Watt Audio Output Power
- Two Automatic Warning Signals
- One Loud Emergency Alarm Built-in
- Whistle on easy touch
- Heavy-duty Construction
- Auxiliary Input for cassette or CD player, radios
- Eternal Monitor Control Output

The WLD-812 is a compact 200 watt version marine loudhailer, offering two automatically repeatable fog signals to comply with either inland or international navigational rules.

Utilizing a full 200 watts of audio power, WLD-812 will project your voice over just about any surrounding engine or surf noise once equipped with the optional bullhorn-type speakers. WLD-812 provides the option of projecting through a forward speaker, aft speaker or both.

Two distinct automatic warning signals for a variety of different maritime situations alert nearby vessels of your presence and status in low visibility conditions.

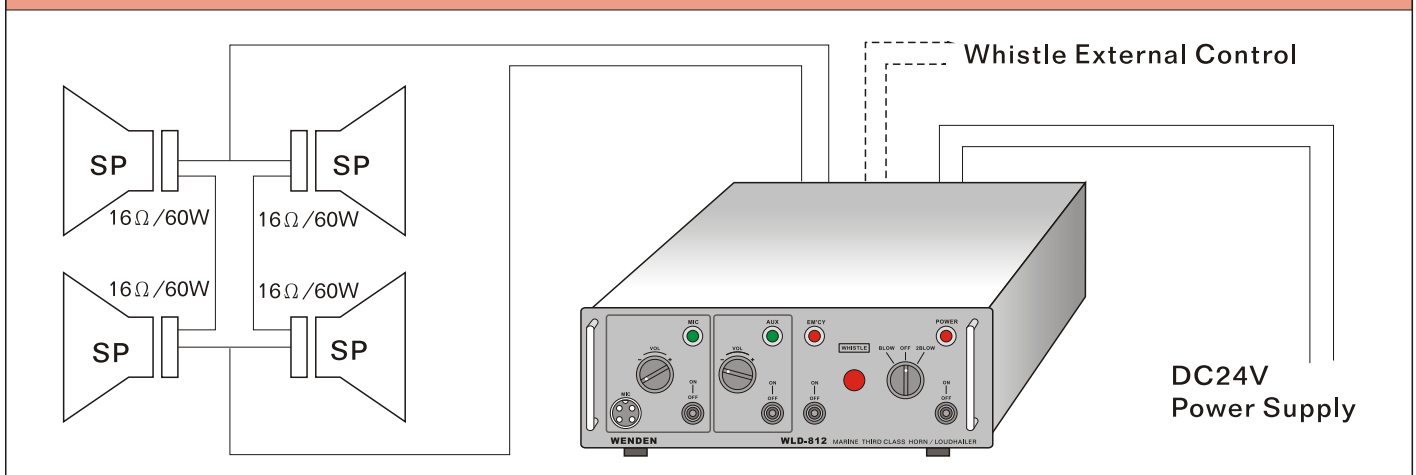

An auxiliary input and mode setting allows transmission of external audio input to speakers, input options can include a cassette or CD player, radio, or VHF/SSB reception.

Marine Third Class Horn / Loudhailer **WLD-812**

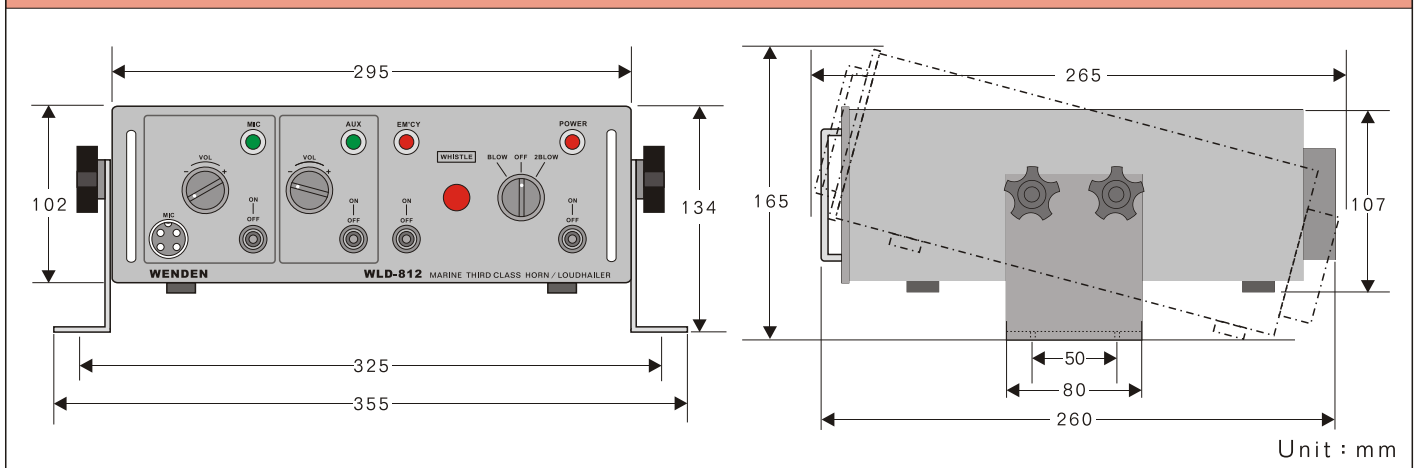

Specifications	
Hail Audio Output	200 Watt
Speakers Output Impedance	16 Ω
Microphone Impedance	600 Ω
